

# INTERIOR DESIGN YEARBOOK 2020

Edited by Jade Tilley

Foreword by Harriet Forde, President, BIID

### A SENSE OF PLACE

Rosewood's 'A Sense of Place®' philosophy is exuberantly expressed with a design that honours rich Thai culture while celebrating the cutting-edge creativity and contemporary design ethos of the dynamic capital. Rosewood Bangkok exemplifies a perfect marriage of destination and Rosewood's core concept of a modern ultra-luxury hotel experience.

*Rosewood hotel, Bangkok, Thailand, was designed by Celia Chu & Associates and completed in April 2019 | Photography by Panoramic Studio.*
